Gap to lead = percentage-point gap between TVK and whichever candidate is currently leading that booth (shown as a negative "cushion" when TVK itself is leading). Party colours: DMK red, AIADMK saffron, TVK yellow, all other candidates (Independents, NOTA, minor parties) shown muted since this view is built specifically for TVK planning, not a general result browser — see the constituency dashboard for the full unweighted candidate breakdown. Votes are recorded at booth level (Form 20); a street search finds the booth(s) whose electoral-roll area covers that street. Booth 218 has two source records in Form 20 (a zero-vote row and the real result); both are listed.
